SOUTHEAST TALENT AGENCIES HAVE MERGED TO FORM GRAVITY HILL AGENCY

Talent representation from coast-to-coast just became a whole lot better!

[New Orleans, LA, June 2021] – Full-service firm, Gravity Artists Agency and boutique firm, Cindy Hill Agency, have joined forces to offer exceptional and unparalleled representation service for talent in Film, Television, and Commercial in the national U.S. markets.

“It is a natural fit for both of us,” said Julie Bateman, founder and President of Gravity Artists Agency. “We’re seeing greater demand from production for talent in both the African American and LGBTQ communities, and Gravity has some incredible talent on our roster with this demographic. Cindy is amazing and has tremendous success stories with series-regulars and guest-star roles. I’m ecstatic!”

“I’ve been wanting a creative and savvy partner for a couple years.” said Cindy Hill, founder of Cindy Hill Agency. “When Julie and I met in 2019, we were both thinking the same thing...’How great would it be if we join forces!’ I’m just delighted.”

Gravity Hill Agency is headquartered in New Orleans, LA with a second office in Baton Rouge, in addition to a presence in Los Angeles, CA and Atlanta, GA. The agency receives national breakdowns and does not discriminate on the basis of race, creed, color, ethnicity, national origin, religion, sex, sexual orientation, gender expression, age, height, weight, physical or mental ability, veteran status, military obligations, or marital status.
